

# NAT. SKILLED NURSING CARE CTR. WEEK

## “LIVE SOULFULLY”

The American Health Care Association declared the week of May 13-18 as this year's National Nursing Home Week, changing the name to NATIONAL SKILLED NURSING CARE CENTER WEEK. The theme selected for this celebration is “Live Soulfully.” We have prepared three very special designs to help you and your residents celebrate this great occasion. You will not find these unique designs anywhere else! Best of all, we can customize these designs with the name of your group or facility at no extra charge, with the purchase of just six items. Our t-shirts are pre-shrunk, made of high quality cotton and created for comfort in every day activity. You can order any one or a variety of designs in any size from Small to a roomy 6X at our every day low prices. Call one of our professional representatives Toll Free today!
